

**DEPARTMENT OF
PEDIATRIC CARDIOLOGY AND CARDIO-SURGERY
UNIT OF CARDIOLOGY**

We would like to invite applications at the Bambino Gesù Children's Hospital for one position as research fellow in cardiac imaging analysis. The position involves undertaking research in Tetralogy of Fallot disease.

Degree and specialization as cardiologist is requested, as well as pediatric cardiology knowledge. Clinical and research expertise in the field of magnetic resonance imaging, would be considered an advantage. A knowledge of medical statistics will be considered.

A starting 12-months research position will be awarded to the successful candidate. Position and salary will depend on qualification and experience.

Review of applications will begin in November 2019 and will continue until the position is filled.

Applications, including the applicant's CV and the name/address of two reference persons, should be submitted to direzione.scientifica@opbg.net, quoting the code OPBG2019/05

For any further information, please contact Dr. Benedetta Leonardi (benedetta.leonardi@opbg.net)
