

**RESEARCH UNIT OF ESITI CLINICI E PERCORSI
MEDICO-CHIRURGICI**

We would like to invite applications at the Bambino Gesù Children's Hospital for a position of research fellowship for the project "Usò dei big data sanitari per lo sviluppo di indicatori ed il supporto clinico-decisionale".

The position will be appointed to administrative staff.
Microsoft Office skills (Excel, Word, Power Point) are requested.

Previous certified research experience relevant to the field of the project would be considered an advantage. Interpersonal relationship skills, predisposition to teamwork and problem solving skills will be considered preferential characteristics.

Availability is required from Monday to Friday, full time.

A research position will be awarded to the successful candidate. Position and salary will depend on qualification and experience.

Review of applications will begin on 10 of May 2021 and will continue until the position is filled.

Applications, including the applicant's CV and the name/address of two reference persons, should be submitted to direzione.scientifica@opbg.net, quoting the code OPBG RC2021-05.

Please contact Annarosa Monopoli (contrattisti-direzione.scientifica@opbg.net) for any further information.
