

**RESEARCH UNIT OF MALATTIE NEUROLOGICHE E
NEUROCHIRURGICHE**

We would like to invite applications at the Bambino Gesù Children's Hospital for a position of research fellowship for the project "Sviluppo ed applicazioni cliniche robotiche, 3D e realtà virtuale in neurochirurgia".

The position will be appointed to physician with specialization in neurosurgery.
Clinical expertise in the field is requested.

Previous certified research experience relevant to the field of the project would be considered an advantage. Interpersonal relationship skills, predisposition to teamwork and problem solving skills will be considered preferential characteristics.

Availability is required from Monday to Friday, full time.

A research position will be awarded to the successful candidate. Position and salary will depend on qualification and experience.

Review of applications will begin on September 2021 and will continue until the position is filled.

Application, including the applicant's CV and the name/address of two reference persons, should be submitted to direzione.scientifica@opbg.net, quoting the code OPBG RC2021-09.

Please contact Annarosa Monopoli (contrattisti-direzione.scientifica@opbg.net) for any further information.

RESEARCH UNIT OF NEUROPSICHIATRIA
