

**RESEARCH UNIT OF CARDIOPATIE**

We would like to invite applications at the Bambino Gesù Children's Hospital for a position of research fellowship for the project "Valutazione sperimentale di marcatori molecolari di stress cellulare ed espressione di geni di stress ossidativo nella sindrome del cuore sinistro ipoplasico".

The position will be appointed to biology.

Previous certified research experience relevant to the field of the project would be considered an advantage. Interpersonal relationship skills, predisposition to teamwork and problem solving skills will be considered preferential characteristics.

Availability is required from Monday to Friday, full time.

A research position will be awarded to the successful candidate. Position and salary will depend on qualification and experience.

Review of applications will begin on July 2022 and will continue until the position is filled.

Applications, including the applicant's CV and the name/address of two reference persons, should be submitted to [direzione.scientifica@opbg.net](mailto:direzione.scientifica@opbg.net), quoting the code OPBG RC2022-07.

Please contact Annarosa Monopoli ([contrattisti-direzione.scientifica@opbg.net](mailto:contrattisti-direzione.scientifica@opbg.net)) for any further information.
