

RESEARCH UNIT OF MALATTIE ALLERGICHE

We would like to invite applications at the Bambino Gesù Children's Hospital for a position of research fellowship for the project "Effetto immunologico anti-infiammatorio e tollerogenico delle formule artificiali nella prevenzione e nel trattamento dell'allergia".

The position will be appointed to physician with specialization in pediatric.
Clinical expertise in the field is requested.

Previous certified research experience relevant to the field of the project would be considered an advantage. Interpersonal relationship skills, predisposition to teamwork and problem solving skills will be considered preferential characteristics.

Availability is required from Monday to Friday, full time.

A research position will be awarded to the successful candidate. Position and salary will depend on qualification and experience.

Review of applications will begin on September 2022 and will continue until the position is filled.

Applications, including the applicant's CV and the name/address of two reference persons, should be submitted to direzione.scientifica@opbg.net, quoting the code OPBG RC2022-09.

Please contact Annarosa Monopoli (contrattisti-direzione.scientifica@opbg.net) for any further information.

**RESEARCH UNIT OF MEDICINA PREDITTIVA E
PREVENTIVA**

We would like to invite applications at the Bambino Gesù Children's Hospital for a position of research fellowship for the project "Analisi Automatica di Imaging Cardiologico per la valutazione della Funzione Cardiaca in Pazienti con Miocardite "Covid-19 Related" attraverso algoritmi di intelligenza artificiale di tipo federated learning".

The position will be appointed to physician.
Clinical expertise in the field is requested.

Previous certified research experience relevant to the field of the project would be considered an advantage. Interpersonal relationship skills, predisposition to teamwork and problem solving skills will be considered preferential characteristics.

Availability is required from Monday to Friday, full time.

A research position will be awarded to the successful candidate. Position and salary will depend on qualification and experience.
