

**RESEARCH UNIT OF MALATTIE NEUROLOGICHE E
NEUROCHIRURGICHE**

We would like to invite applications at the Bambino Gesù Children's Hospital for a position of research fellowship for the project "Efficacia e meccanismi di azione di nuove terapie farmacologiche e non farmacologiche nell'emicrania pediatrica".

The position will be appointed to physician with specialization in child neuropsychiatry. Clinical expertise in the field is requested.

Previous certified research experience relevant to the field of the project would be considered an advantage. Interpersonal relationship skills, predisposition to teamwork and problem solving skills will be considered preferential characteristics.

Availability is required from Monday to Friday, full time.

A research position will be awarded to the successful candidate. Position and salary will depend on qualification and experience.

Review of applications will begin on November 2022 and will continue until the positions is filled.

Applications, including the applicant's CV and the name/address of two reference persons, should be submitted to direzione.scientifica@opbg.net, quoting the code OPBG RC2022-11.

Please contact Annarosa Monopoli (contrattisti-direzione.scientifica@opbg.net) for any further information.
